

H2O Luxury Yachts and Epic Yacht Charters Join Forces Under Unified Brand

FOR IMMEDIATE RELEASE

31 July 2025

Fort Lauderdale, FL – In a move that signals a powerful new chapter in luxury yacht chartering, H2O Luxury Yachts Inc. and Epic Yacht Charters, LLC have merged to create a stronger, unified presence under the new brand Epic Yacht Charters Worldwide.

This partnership brings together two highly respected names in the yachting industry — combining H2O’s deep knowledge of the Mediterranean and global charter markets with Epic’s trusted footprint in the Caribbean and U.S. Virgin Islands. Together, they form a powerhouse team known for first-hand yacht expertise, client-focused service, and curated vacation experiences.

“This is more than a merger — it’s a true alignment of vision, values, and strengths,” said Kerry Hucul, founder of H2O Luxury Yachts. “Our clients will benefit from even greater access to top-tier yachts worldwide, backed by a highly experienced team who’ve lived the charter lifestyle for decades.”

“We’ve built Epic Yacht Charters around personalized care, matching every client to the perfect yacht,” added Michelle Heyns, founder of Epic. “Now, with expanded resources and global reach, we’re able to offer even more — without compromising the hands-on service our clients love.”

What This Means for Clients:

- Expanded global portfolio of crewed luxury yachts across the Med, Caribbean & beyond
- Unified team of veteran brokers and firsthand yacht specialists

- Continued access to both websites during the transition
- Seamless service from inquiry to embarkation — no disruption

The merger follows years of cooperation between the two companies, each bringing decades of industry insight, yacht show attendance, and trusted relationships with yacht crews, owners, and clients.

The brand will now operate under Epic Yacht Charters Worldwide, powered by the experience and infrastructure of H2O Luxury Yachts Inc.
